SOLIDARITY WITH FARMERS!

DEAR CITIZENS OF THE NETHERLANDS,

**SUPPORT THE FARMERS! THE FARMERS ARE ALSO
FIGHTING FOR YOU! TAKE ACTION AND SHOW YOUR
SOLIDARITY.**

**15 JULY 2022
15:00 HRS
STOP WORKING FOR 15 MINUTES!**

**Just 15 minutes of your time is vitally important for
us all! Wherever you are, stop working. Stop your truck
or your car and show your solidarity!**

Visit www.knoopinjezakdoek.nl for suggestions on how to show your solidarity on 15 July. For example, hang the Dutch flag upside down at half mast and tie a knotted, traditional farmer's handkerchief to the pole. The website lists many other things you can do to show your solidarity.

Show your support for our farming community and join in! Every day, farmers work hard to produce fair, safe and affordable food. It's not just the agricultural sector at stake, but the entire country!

**THANK YOU FOR SHOWING YOUR SUPPORT
AND SOLIDARITY!**
